Attached is a complete list of all applicants who have had a Canadian Ownership Rate and/or Control Status determination under the COCD Act up to June 15, 1983. The list supersedes the previous lists and is divided into two sections: (1) individuals and (2) other applicants.

- (1) Individual applicants are considered to have a Canadian Ownership Rate of 100 percent and a Canadian Control Status under the Act, so that opposite each name only the expiry date of the COR/CS certificate appears.
- (2) The second list of all other applicants includes:
  - (a) small applicants, with Canadian Control Status and a deemed COR of 100 percent who cannot use their deemed COR as an investor, except in limited situations pursuant to paragraph 11(2)(c) of the Canadian Ownership and Control Determination Regulations;
  - (b) special status entities, who have a Canadian Control Status and a COR of 100 percent for both applicant and investor purposes;

La liste ci-joint comprend le nom de tous les demandeurs qui ont obtenu une détermination du taux de participation canadienne et/ou d'état de contrôle en vertu de la loi sur le D.P.C.C. jusqu'au 15 juin 1983. Cette liste remplace les listes précédentes et est divisée en deux parties; (1) les particuliers et (2) les autres demandeurs.

- (1) Les particuliers ayant un taux de participation canadienne réputé de 100% et un état de contrôle canadien selon la loi, seule la date d'expiration de leur certificat de TPC/EC apparaît vis-à-vis leur nom.
- (2) La liste des autres demandeurs comprend:
  - (a) les petits demandeurs qui ont un taux de participation canadienne réputé de 100% et un état de contrôle canadien et qui, à titre d'investisseur, ne peuvent utiliser leur taux de participation canadienne réputé sauf dans les cas d'application de l'article 11(2)(c) du Règlement sur la C.P.C.C.;
  - (b) les entités à statut spécial lesquelles ont un taux de participation canadienne de 100% et un état de contrôle canadien à titre de demandeur ou d'investisseur;

(c) all other applicants, whose Control Status may or may not be Canadian, and whose COR is measured. When asked to respond as an investor, such applicants must use the COR on the face of the certificate (shown in the first column on this list), minus any bonus points (third column), pursuant to section 26 of the Canadian Ownership and Control Determination Regulations.

For information, please contact the PIA Secretariat, phone (613) 996-4444.

(c) les autres demandeurs dont l'état de contrôle n'est pas nécessairement canadien et qui doivent mesurer leur taux de participation canadienne. A titre d'investisseur, ces demandeurs doivent utiliser le taux de participation canadienne qui apparaît sur leur certificat (première colonne de la liste), moins les points bonis (troisième colonne), tel que prévu à l'article 26 du règlement sur le D.P.C.C.

Pour plus de renseignements, prière de s'adresser au Secrétariat de l'AMESP, su numéro suivant: (613) 996-4444.
